

IMPRISONED IN A FIERY PIT.

NINE MINERS LOSE THEIR LIVES BY FIRE IN THE SHAFT OF A MONTANA MINE.

Bute, Mont., April 21.—By a fire in one of the shafts of the Butte and Boston Mining Company, this morning, nine miners were cut off from escape, and either burned or suffocated. All hope of rescue has been abandoned. The names of those cut off are Edward Pascoe, Richard Andrews, Sam Rovetto, Frank Geerard, Richard Tremborth, Thomas Gray, James Neto, Antonio Perna and E. Puglis. The origin of the fire is not known.

GEORGE RAINES TO HEAR THE HARRIS CASE.

Albany, April 21.—Governor Flower has appointed George Raines, of Rochester, as a commissioner to take testimony in the case of Carlyle W. Harris. Mr. Raines is to begin his work on Monday morning in New York City, the place and hour for holding these new proceedings not yet having been determined upon. This action on the part of the Governor does not necessarily act as a stay of execution, as the Governor expects that Mr. Raines will finish his work in time to allow him to review the testimony and announce his decision before the date for the execution.

SHOWALTER TOO ILL TO MEET LASKER.

Kokomo, Ind., April 21.—Showalter was still suffering from a severe cold and was unable to play to-day in the chess match with Lasker. The general opinion is now that this illness was the real cause of his losing the game on Wednesday, although he said nothing about it at the time. A snowstorm has been raging for the last twenty-four hours, but it is hoped that with more favorable weather he may recover sufficiently to resume play on Monday. To-day will be counted as one of rest. The feeling is still uppermost that he will hold his own during the remainder of the match. The visitors amuse themselves with numerous amateur matches and wait patiently on the champions.
